Movie: Blind Side

Rating PG Parent notice this rating!

Main Point of Discussion: It's one thing to know you need to change your life's direction; it's quite another to do something about it.

The Movie Clip: "Turn around."

The Blind Side is an acclaimed, crowd-pleasing movie with numerous clips that can provoke discussion. The movie is pretty much "all things to all people"; it's a sports movie, a family movie, a tearjerker, a drama, a comedy, and there's even some action and suspense. Sandra Bullock won a Best Actress Oscar for her portrayal of Leigh Anne Tuohy, the posh-but-tough-as-nails wife and mother who reaches out to an abandoned teenager, Michael Oher.
